

Ministry of Children and Youth Services

Partner Facility Renewal Minor Capital Program - 2016-17 Fire Code Projects

As of July 15, 2016

- The list below consists of fire code projects that have been approved for funding through the Partner Facility Renewal minor capital program for 2016-17. Funding helps transfer payment community agencies to meet legislated code requirements.
- The ministry prioritizes funding based on building and project characteristics.
- Information subject to change. During the year project planning/implementation may lead to changes in project scope and funding.
