Partner Facility Renewal Minor Capital Program - 2016-17 Projects

As of January 26, 2017

- The list below consists of additional projects that have been approved for funding through the Partner Facility Renewal minor capital program for 2016-17.
- Under the Partner Facility Renewal program, approximately \$3.8 million is being invested to help repair, renovate or upgrade sites at community agencies across Ontario. This investment is in addition to the \$16 million that was distributed last summer for a total of \$19.8 million this fiscal.
- The ministry prioritizes funding based on program priorities and building and project characteristics.
- Information subject to change. During the year project planning/implementation may lead to changes in project scope and funding.
- Agencies may receive funding to support similar projects at multiple facilities.
